

`_wrap_ntoh_ipv4_exit`

```
graph LR; A["_wrap_ntoh_ipv4_exit"] --> B["SWMG_Py_Void"]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text `_wrap_ntoh_ipv4_exit`. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text `SWMG_Py_Void`. Both boxes have a black border.

`SWMG_Py_Void`
