

`_wrap_unlock_access`

```
graph LR; A["_wrap_unlock_access"] --> B["SWMG_Py_Void"]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text `_wrap_unlock_access`. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text `SWMG_Py_Void`.

`SWMG_Py_Void`
